

The Urbana High School Marching Band is returning this year as the 2021-22 MMBA State Champions! We need your support to bring the championship back to Urbana for another year.

Did you know marching band is more than just playing at football games? Your Urbana High School Marching Band practices over 20 hours a week to compete in shows around the state in the Fall. They are led by an amazing staff, and require hundreds of volunteer hours to perform. Just a small percentage of this is covered in the school budget, and that is where you come in!

We would like to offer you some opportunities to promote your business, and at the same time support the band program and the talented band students at Urbana High School.

We will be hosting our first Regional Competition for the Maryland Marching Band Association on October 29th, 2022. Urbana High School will host over 23 bands from all around Maryland and surrounding states including many from Frederick County.

Please consider being a part of this amazing music program and supporting your UHS Marching Band with a sponsorship.

Thank you for your consideration!

The Urbana High School Band Boosters a 501c3 organization. Our Tax ID is: 52-1940605
